

POWERTEC[®]

TILE TOOLS & ACCESSORIES

2024 PRODUCT CATALOG

WHAT'S NEW at **POWERTEC**

We are proud to announce the expansion of a new category of tile tools and accessories. This expansion marks a significant milestone for POWERTEC as we expand our product categories into a full range of **tile tools & flooring accessories**.

In this catalog, from tile saw, large format tile tools, to tile leveling systems. Whether you're working on a small residential project or a large commercial installation, our products are designed to meet the demands of any job.
